

ACN believes that attending events is the key to success in this business and this is why we want to ensure you get as many people to your events as possible.

How to promote your IBO events

The best way to promote your events is via ACN's Regional Events Calendar on your IBO Back Office.

- IBOs all around the globe access this calendar from their IBO Back Office
- You can also choose which events you want to promote via your personal Distributor Website

You can promote all types of meetings, from your weekly Business Opportunity Meeting (BOM) to Saturday Trainings and Regional Events. ACN recommends all Team Coordinators (TCs) and higher add their events to the Regional Events Calendar to ensure they are reaching as many people as possible.

ACN will consider promoting special IBO sponsored events via ACN News provided the following criteria are met:

- A. The event must have an SVP or RVP speaker, or**
- B. The event features an ACN staff member as a special guest speaker**

All requests must be entered into the ACN Regional Events Calendar and must be sent to comms@acnpacific.com.au at least 10 days prior to the event taking place.

If your event entry fee is more than \$10.00 you are required to submit a budget to compliance@acnpacific.com.au for approval prior to submitting your request to comms@acnpacific.com.au or entering your event details into the ACN Regional Events Calendar.
